<b>Product Name</b>	<b>Bleach</b>
<b>Purpose</b>	Bleach is provided only for cleaning inside of toilet bowls. Do not use for other purposes.
<b>Usage</b>	<p>Squeeze the liquid under the rim, around the bowl to coat, and allow it to sit for 5-10 minutes. Use a stiff bristled brush to scrub clean and flush.</p> <p>If necessary open the window before use - bleach should always be used in a well-ventilated area.</p> <p>Never mix bleach with other cleaning products. This is particularly important for acid-based products like limescale removers (Viakal) and even vinegar, as well as products which contain ammonia. The reaction between these products can release toxic fumes.</p> <p>Latex gloves should be worn when using bleach.</p> <p>Take care to keep out of the reach of children.</p>
