## **Product Information Sheet**

Purpose  Effective for descaling of limescale,  Viakal works on fixtures, sinks, wash basins, toilet bowls/urinals, taps, glass showers and bathroom tiles.  Before using on an unknown surface, test on an inconspicuous area.  Spray on surface and spread evenly with a wrung out wet cloth. Do not leave undiluted viakal on materials without spreading it evenly as it may result in a spray pattern appearance. Once spread, leave for up to 5 minutes depending on the level of limescale.  Rinse thoroughly with water.  Do NOT use on: Enamel, The inside of plastic kettles, Gold plating, Marble, travertine and natural stone, Surfaces sensitive to acid, including gold, silver, copper, aluminium and platinum, Hot or damaged surfaces, Electric appliances, Dishes, pots and pans, Granite, Shower cubicles with decorated glass, Linoleum, Brass, Carpet, Textiles, Clothes, Galvanised iron, Glass (matt), LCD screens, Wood veneer.  Causes skin irritation. Causes serious eye irritation. Keep out of reach of children. Do not mix with bleach or other cleaning products.	Product Name	Viakal
