

# Product Information Sheet

<b>Product Name</b>	<b>CleanPro General Purpose Cleaner</b>
<b>Purpose</b>	Effective as a general mopping solution for hard floors.
<b>Usage</b>	<p>Before using on an unknown surface, test on an inconspicuous area.</p> <p>Add two capfuls of the solution to a half full mop bucket of clean water. Warm (not boiling) water may help to remove more difficult stains.</p> <p>Ensure the solution is adequately mixed.</p> <p>Soak the mop head in the solution and wring out as much as possible before mopping the floor.</p> <p>On wooden floors in particular ensure the surface does not get over wet.</p>
